## Rock 'n' Roll Photography Pricing

We will do studio shots and/or live performance shots. Studio shots will be charged according to the amount of space needed to do the photo shoot.

Smaller Spaces - \$63.60 per session (WV Tax included)  
Larger Spaces - \$106.00 per session (WV Tax included)

Either price includes a three (3) hour session.

Location shots are available. We will come to the gig and take live shots of the band while they are playing. Prices for location shots vary due to the location and travel time, as well as the time needed to be spent at the gig in order to do the shoot. Please contact us for further quotes.

## Steel Wheels/Rod & Custom Photography Pricing

Pricing is dependant on where the vehicle is located to be shot at. If the travel distance is greater than 25 miles, you will be charged for travel time, as well as a sitting fee of \$53.00 (WV Tax Included).

We will take up to 20 shots depending on what the client wants. We also have models for hire to pose with the vehicle if requested, but is a separate charge set according to each individual model. Please contact us for further quotes.

## Model Photography Pricing

Modeling rates are \$63.60 (WV Tax Included) for studio shots with up to 3 hours session time.

Outside location shots are also available for \$79.50 (WV Tax Included) up to 4 hours of session time. This price covers anything within a 25 mile radius of Wheeling, WV. If the travel distance is farther than 25 miles, please ask for a price quote, as the price would be adjusted according to travel time. The length of the session would remain the same.

Client can then purchase images at \$1.50 (plus WV Tax) per image up to 40 images. Anything over 40 images the per image rate drops to \$1.00 (plus WV Tax) per image. They will be full resolution images and/or sized for the web on a CD or DVD with a release form that states ownership of the images.

Please contact us for further quotes.
